il fauno di Arcanum is a Bordeaux-style blend that embodies the diversity of the estate and is sourced primarily from the Arceno di Sotto, La Curva, Colombaio and San Giovanni blocks. Located in the lower southwest section of the estate, in a warmer, exposed subsection that ripens early, the soils possess a significant amount of clay, with good water retention, and produce wines that tend to be more voluptuous and lush.

The faun statue on the estate has become a symbol for the winery. It inspired the name for il fauno and is featured on the label. The faun itself is a being that is half human-half animal. It expresses a duality into a unity – two natures in one body – in the same way that Tenuta di Arceno has embraced the dual expressions of DOCG and IGT wines into one style. It represents the coming together of two separately existing beings in the birth of something different – a new reality, derived from existing traditions, that represents greater possibility.

VINTAGE NOTES

A spectacular vintage in the Chianti Classico region. A mild, wet winter provided an optimal growing season. With sufficient water reserves from the rainfall, the vines endured the hot and dry summer well. Noticeable diurnal shifts at the estate are showcased in this near-perfect vintage through lower yields and high-quality grapes expressing vibrant, concentrated acidity and powerful tannins.

TASTING NOTES

The immediate impression of this wine is power. Layered aromas of rose petals, ripe plum and white pepper spice are prominent on the nose. Enticing flavors of black cherry, dark chocolate and licorice explode on the palate upon first taste. Subtle tannins culminate in a fine elegance that is enhanced by lingering flavors of dried cranberries and classic flavors of cigar box and cedar. This impressive wine will continue to delight for years to come.
